Nontenuretrack faculty more at risk for layoffs

> ost MU nontenure-track off are on one-year ntracts that have to be newed each year

## ANDREW KES

The University of Missouri Sysem's fiscal crisis could be espesive of the contenure-track and the contenure-track and the could be contenued to the In a system wide email sent on donday. UM System President Mun lois announced that the system seeded to cut its budget by about 8 o 12 percent for fiscal year 2018 and that layoffs of staff and NTT scully may be necessary to get here.

faculty with staff rather than tenured and tenure-track faculty, was frustrating, said Nicole Monnier, co-chair of the MU Nontenure Track Faculty Committee. "The system president's message almost implies that NTTs are addon faculty." she said
